

# Innovation Delivered

Virtual Summit  
June 23, 2026

## Growth without the chaos. June 23.

Innovation Delivered is back on June 23. Join ShipStation's free virtual summit built for operators who want to grow without the chaos. Hear from real brands on what's actually working: smarter automation, leaner operations, and the AI moves worth making. Join featured experts Rick Watson and Matt Hertz as they share operational playbooks for scaling and automating shipping logistics. Register now for a chance to win a \$200 gift card.\*

## What's New

### Everything you need to ship, in one place

The ShipStation Supplies Store is here! Get labels, printers, scales, scanners, mailers, and more, all inside the platform you already use. Get 20% off your first order.

[Save Now](#)

### International shipping made easy

Cover duties and taxes with a guaranteed cost at label purchase, giving your customers a seamless global experience.

[Add It Here](#)

## Good to Know

### Quiz: Is your ecommerce optimized?

Our new interactive quiz scores your operations across 10 critical areas so you can spot exactly where you're leaking time and money.

[Take the Quiz](#)

## Selling Smarter

### Chocolate. Florida heat. No preservatives.

Norman Love Confections ships 76,000+ perishable chocolates a year across five peak seasons—without cracks, melts, or scaling their team. Automation made it possible.

## Out for Delivery

### Turn returns into repeat customers

No Box No Label returns via UPS mean no packaging, no printer—just a phone. Make returns this frictionless, and they'll keep coming back.

[Make Returns Easy](#)

### Know duties & taxes upfront

Ship internationally with full cost visibility. Lock in duties and taxes at label creation with [GlobalPost Plus - Duties & Taxes Included](#) so you can price confidently and avoid surprises.
