

## The Rundown

USPS rates are changing on April 26—and we've got everything you need to stay ahead of it. **Featuring this month:** your guide to getting critical mail right every time, a carrier service worth knowing about, and a tax firm that's been with us for 23 seasons. Let's get into it.

### In the Know

#### USPS® rates are changing

USPS rates increase by 8% on April 26, impacting Ground Advantage™, Priority Mail®, Priority Mail Express®, and others.
